MISSION STATEMENT

As a school community, we strive to enrich life's learning and celebrate the successes of each student as they develop their academic, cultural, athletic, and social skills. The strength of the school is the sense of family and community allowing each child to reach full potential in a safe and caring environment.

SOUP DAY

The St. Patrick's green soup was broccoli! To compliment this delicious soup, there were buns with melted cheese. Yummy! Eli and Alexandra were Anca's helpers.

We would like to thank the Sointula Recreation Association for their support of the A. J. soup program.

COMMUNITY SOCCER

Reminder from Tosha:

- ◆ Please remember water bottle
- ◆ Request for all children to bring a long sock or something else that is long and could be stuck into the back of their pants like at tail. It's for a game they will play.
