MISSION STATEMENT

As a school community, we strive to enrich life's learning and celebrate the successes of each student as they develop their academic, cultural, athletic, and social skills. The strength of the school is the sense of family and community allowing each child to reach full potential in a safe and caring environment.

SOUP DAY

The next Soup Day is Wednesday, May 25th. Check next week's newsletter for what Anca and her sous chefs will be creating.

We would like to thank the Sointula Recreation Association for their support of the A. J. soup program.

VILLAGE ISLAND FIELD TRIP

Tuesday, May 17th is the big day! Please send your child to school as usual, making sure they are on time, and they will then be transported by school bus to the harbour to meet the Naiad Explorer. Everyone must have a lifejacket. If you are unable to obtain one for your child please contact the school asap. It is recommended that everyone wear masks inside the boat. The students will be returning at approximately 4:00 pm and need to be picked up at the harbour.

Please have your child dressed appropriately for weather and walking. Also, please send them with a lunch, snacks, and water bottle.

The latest Eagle has been published. If you did not get a copy in your mail box there are extras at the school that I can send home with your child.

The Primary swimming lessons started today! Looks like they are having a splashing good time!
