MISSION STATEMENT

As a school community, we strive to enrich life's learning and celebrate the successes of each student as they develop their academic, cultural, athletic, and social skills. The strength of the school is the sense of family and community allowing each child to reach full potential in a safe and caring environment.

SOUP DAY

The Brain (noodle) Soup was brilliant! The "Souper" helpers were Caleb, Cayden, Ruby, Alora, and Teddy. There will be one last Soup Day on Wednesday, June 8th.

We would like to thank the Sointula Recreation Association for their support of the A. J. soup program.

If you know that your child will not be attending A. J. Elliott in the 2022-2023 school year, please notify the school. It's important that we have the numbers for staffing for the next school year.

COVID TEST KITS

We still have some COVID test kits available if you should need them. Contact Debbie at the school to arrange pick-up.

Bike Rodeo

The RCMP will be hosting a bike rodeo at our school on Wednesday, June 9th. The rodeo will be outdoors. The students will go through the rodeo stations in 3 groups starting at 9:30. They will learn bicycle and road safety, and will have a chance to get their bicycles tuned up for summer. Your child is encouraged to have their bike and helmet at school that day so that they can participate in this fun activity.

The latest Eagle has been published. If you did not get a copy in your mail box there are extras at the school that I can send home with your child.

A. J. PRIDE

Watching our gardens grow.

Making
slime at
Afterschool
Program.
